HUMBOLDT Paws Cause

FOUND DOG

Is this your dog?

COLOR	Brown and black
SEX	Male
FOUND	Wednesday, November 25
FOUND AT	Petrolia

Hi y’all, I found a dog today running the roads of petrolia today. He led me under a bridge to his friend (assuming they belong to the same home) who is pretty beat up. I was able to get them both home with me and have them and am caring for them currently. I only have a picture of one but will take a picture of the other in the morning. If any of you guys are missing a shepherd/blood hound mix and a shepherd / pit mix let me know :)
