Nina is our beloved 13 year old Pit Bull. We let her out Wed night and have not seen her since. She is not wearing a collar and has bad hips. It's possible she walked down the road and got stuck. We have searched our property but will continue he to search. We live on Baird Rd in Dows Prairie mckinleyville and I don't think she could have really gotten far. If any one sees her please let us know.
