Heads up Eureka! Dexter got out again. This time it was yesterday around 4pm. He was last seen running up Del Norte off of Broadway. He got out at The Pantry restaurant. Please help. Reward if found. He is not wearing the sweater. Call Lisa at (530)854-3535....Please help me find him. Our son apparently is not responsible enough for a dog. They were on their way out of town and he darted out of the car at The Pantry Restaurant. Please call me if found. He will be with us from now on. Pray he is found. I am so upset.
