

FOUND CAT

INFORMATION:

Color: Tabby

Sex: Female

Found on: Monday, Jan. 1

Found at: 4100 D street Eureka

Contact: Amanda

Phone: 707-672-3091

Email: Amandawinstead1@gmail.com

This sweet kitty has been living at our back door for several months - for a while I thought she was more of a visitor than a stray but clearly not the case at this point. Very friendly and handle-able. Wants to be an indoor kitty. Extremely talkative. Seems healthy and young, big strong kitty with a very good appetite. Drippy nose when she purrs - which is a lot. Did I mention how talkative she is?
