

# FOUND CAT

**INFORMATION:**

**Color:** brown grey stripes

**Sex:** Unknown

**Age:** 4 or 5?

**Found on:** Friday, Oct. 11

**Found at:** Travis Ct McKinleyville

**Contact:** John

**Phone:** 707-601-9034

**Email:** johnludington@gmail.com

My phone app identifies it as a Siberian.

Affectionate ?male? cat found on our street. No collar, likely declawed, and has been around for a few months. Beautiful and very friendly, but we haven't found his owner yet. We've asked just about everyone on the street. Everyone is familiar with him as he is very friendly.
