Contact: Mary Gifford

Phone: 707-499-1516

Email: mrsmarybgifford@gmail.com

Evie is an indoor cat. She has been missing since approximately 6pm on June 20th. We live in McKinleyville in the Washington Gardens subdivision. Our home is on Chelsea Way at the top of McKinleyville Avenue. She has never been away from the house. She is very food motivated and may be coaxed out of hiding with treats. She is friendly but has only been around a few people. Please help us find her ■
