Bobcat was last seen at our house around 1700 Washington in McKinleyville. She doesn't like cars and is shy. She might be hiding out in someone's backyard. She had a breakaway collar with a bell on. She was last seen in our backyard going towards our neighbors backyard mid day yesterday. She did not come home last night and has not been seen all day today. We miss her dearly and want her to come back home. If you've seen her, please let us know!
