Lost dog walking around and in the street at I and 11th in Arcata. Looked like someone was trying to help him when I left. Dog was still there at 745pm...UPDATE: "This sweet pup was brought to the Arcata police department and then he was transferred to Humboldt county Animal shelter at around 8 PM. He was very friendly and trusting seemed scared and lost. Hopefully he will be safe and find a good home ■" 707-840-9132
