**Found on:** Saturday, Aug. 16

**Found at:** 922 5th St, Eureka

**Contact:** Janette

**Phone:** 707-601-1109

This kitty showed up about a month ago, hungry, tired and friendly. she let me pick her up, wanted to run into my house and my neighbors house, but then wanted back out immediately. I cannot let her in to my house because I have an indoor cat that is not happy with the appearance of this little one. I think she must have lost her home...
