Email: heatherwick42@gmail.com

Bee is a 15-year-old long-haired white cat with a gray/tan face and tail. She looks like a ragdoll cat and has blue eyes. One eye is clouded because she is partially blind. She is deaf and is fearful of people. She got scared and ran down G Street toward Wabash Street in Eureka. She lives on Del Norte Street between F and G Street. Please contact me before approaching her.
