**Last seen:** Wednesday, Sept. 10

**Last seen:** 4 Fenwick Ave Samoa

**Contact:** Grace

**Phone:** 978-848-8318

**Email:** gracemariw@gmail.com

She was a feral cat that appeared on our doorstep a few months ago. We have been tending to her for the past several months and love her very dearly. Since she was a feral cat, we allowed her to move in and out of our house through the day. She would usually come home in the evening. She did not come home Wednesday night and we have not seen her since
