Sex: Female
Age: 5 months?
Found on: Monday, Sept. 8
Found at: Main St Scotia
Contact: Kate
Phone: 207-841-4288
Email: kate@aquadam.net

She appears to be a young pup still has a lot of her baby teeth. She appears to have been spayed possibly. Has had some training, housebroke, crate trained, walking on leash is excellent and is good riding in a car and hanging out at work with me all day too! She was hanging out in front of Hoby's in Scotia.
