I live in Humboldt Hill Road and this cat gray and white very fluffy. Very friendly cat has been roaming around my yard. I've given it water and salmon and tuna. It keeps wanting to come in my house. I've been here 14 years. I've never seen the cat, but I'm doing this so that cat can go home to its family. . If this cat was randomly dumped off on humble Hill, please let me know within 72 hours to 10 days and I will make it a permanent home at my house.
