Hello, my name is Cadi. I live in Garberville and I recently lost my French bulldog. He was last spotted 2 miles up Dyerville Loop Road in the Myers Flat/Miranda area. He's been gone for 2 days now so I was hoping you guys could make an ad for him and post it today. I'm just trying to go down every avenue I can. If it costs money I can pay for it, I'm just really worried!! He's a picture of him. He's a blue tri merle with light green eyes. I would really appreciate your help!
