Sex: Unknown

Age: adult

Found on: Friday, Nov. 7

Found at: Fisher x Wolf McKinleyville

Contact: Jolene Bishop

Phone: 530-306-8592

Email: eldoradojb2@gmail.com

This friendly cat followed me while walking with a big meow and brushing on my legs as if asking for help. It is medium size tabby with white paws and white on belly with one "unique" eye pupil. No collar, not sure of sex maybe a neutered male or a female. It is still in this neighborhood and confirmed with 2 neighbors that it has been hanging around for last several days.
