Blanco is a black altered male cat. He has a tiny white spot on his chest and one on his belly, his front left long tooth is chipped. He looks rusty in the sun and has medium length fur. He is skittish and would be hard to approach. He was not wearing a collar but is microwhipped. He was last seen on 11/18/2025 . Went missing from Arbutus and Walnut st. in Eureka. He very loved and missed. He has a bonded brother that hasn't been the same ■
