**Last seen:** Mustang Lane Arcata

**Contact:** Irene

**Phone:** 707-572-6121

**Email:** itrresong@yahoo.com

My cat is not lost. But someone has been feeding her and letting her into their house and keeping her there. She has a home. She is a barn cat. She has a bed in a sheltered hay stack and is well fed. Please stop feeding our beloved Callie and taking her indoors. This is the third time this has happened. If you want a cat go adopt one at the shelter. Please stop taking my cat!
