**Last seen:** Wednesday, Dec. 10

**Last seen:** Pine Miranda

**Contact:** Kindra Walls

**Phone:** 707-502-4492

**Email:** kindrawalls5@gmail.com

My baby kiwi is 9 months old white with black dots on the back of her ears and brown and black patch on one side of her face. She was home when I left in the house to take my kids to school and when I came back my door was open and she was gone and my neighbors stated that they saw somebody on my porch and thought it was my kid but all my kids were with me
