Bon Bon is a curious, friendly cat. He's a 10-11 pound striped Mackerel tabby and he has skraggly whiskers. He responds to Bon Bon or Bonz. He disappeared on Monday, December 15 from the Layman Ln alley off Excelsior in Cutten and we have not seen him since. He is not a stray up for grabs. He has a home and we love him. If you took him in ahead of the storm or know his whereabouts, please contact me.
