He's super friendly, white undertone with some henna blotted along his back basically calico pattern but a little more filled in. Bright blue iris eyes. Half-masked face with pink nose. He has a black and grey striped tail. White paws. He weighs about 5 or 6 lbs and is about 3-4 feet long. He was last here Tuesday morning before I went to run errands and since then I got back and I haven't seen him since. I've If anyone finds him please give me a call I've been worried sick
