**Phone:** 707-382-5753

**Email:** mearstheresa@ymail.com

Friendly small brown "jack Chweeny " wondered off around 1230 pm while I was visiting my mom at wabash and E. This dog is our family and has been so healing for my 9 year old daughter who has been through a lot. We love him so much he's our love and I hope he's safe and a loving heart will help him find his way home
