

FOUND CAT

INFORMATION:

Color: Tabby

Sex: Unknown

Age: Middle aged

Found on: Friday, March 20

Found at: Archer road Mckinleyville

Contact: Ellyn

Phone: 707-798-7180

Email: Ellyn.henderson@gmail.com

This cat was found severely injured. It looks like it has a severe infection causing swelling. Not scared of people but cautious about approach. Hoping this is someone's lost pet, or maybe to find someone who can help take care of it!
