**Contact:** Ariel Peugh

**Phone:** 707-407-6164

**Email:** apeugh14@gmail.com

She is super sweet but very skidish. She's an outside cat but we just recently moved her to a different house, she was in my bedroom for about a week then I was told to let her go outside and we did. We saw her around the house on that first day of her being outside but she went missing ever since.
