Cobb ran away from our pet sitter while we were out of town -- no collar or ID, but he is microchipped. Last seen: Bottom of Hillside near Eureka dog park, running towards Zane Middle School (lower field area) around 4:30 PM today. He is very nervous/skittish — please do NOT chase or call loudly if you spot him, as he may run further. Instead, please call/text me immediately and I'll come! If you see him: (949) 573-4968 or (434) 326-2611. Any leads, sightings, or ring camera footage appreciated! Cobb is very loved and we just want him home safe. Please share widely ■
