

FOUND CAT

**INFORMATION:**

Color: silver/gray tabby

Sex: Unknown

Age: 5 months?

Found on: Saturday, July 4

Found at: 2nd and K streets Eureka

Contact: Dana Fredsti

Phone: 415-748-1126

Email: dana.f@clarkemuseum.org

This little beauty started coming up on our porch about a month ago where we have a feeding station. VERY skittish when outside — I just caught her in a feral cat trap and brought her in. She is very vocal but isn't aggressive—no hissing or smacking at the bars of the cage— I'm guessing she's had human interaction at some point.
