Dotti disappeared just before her 3rd birthday on June 5. She is an avid Hunter and doesn't use a litter box. She went outside on the Tuesday before her third birthday at 7:30pm and never returned. She is a lovely kitty and very very missed. Please if you know anything about her whereabouts contact me ASAP. Dotti is chipped. So if there's any question, you can always bring her into a vet or an animal shelter and have her chip checked. The chip has been alerted to her being missing since she disappeared.
