My dog Snoop jumped out of my car on Friday, July 10, around 11:00 a.m.–12:00 p.m. at the South Fork/Honeydew Exit while we were stopped to use the restroom. He ran off into the area and has been missing since. Unfortunately, I had an urgent situation and couldn't stay to search for very long. I went back yesterday and still didn't see any sign of him. I noticed someone left a large container of food and a big bone near the pullout just before the restrooms on the right. If that was you, thank you so much. I truly appreciate your kindness. Snoop is easily frightened and may become defensive if he's scared, so please do not chase or corner him. If you see him, please message me or call me with
