Is this your cat?

COLOR gray tabby with orange

SEX, AGE Female, young

FOUND Wednesday, October 7

FOUND AT 3048 Sandpointe Drive,
Mckinleyville

Young female gray tabby with orange and brown colors. Seems to have been dumped with her sister, possibly her daughter, who is also a tabby tortoiseshell mix. Friendly but cautious, and good with kids. Saw them running around Sandpointe by the Hammond Trail over a week ago. Now they visit our house every day for food and water.
