Is this your cat?

COLOR	Tabby Tortoiseshell Mix
SEX	Female
FOUND	Wednesday, October 7
FOUND AT	3048 Sandpointe Drive, McKinleyville

Young tabby tortoiseshell with orange and brown colors. Seems to have been dumped with her sister, possibly her mother, who is also a gray tabby tortoiseshell mix. Friendly but cautious, and good with kids. Saw them running around Sandpointe by the Hammond Trail over a week ago. Now they visit our house every day for food and water.
