

LOST CAT

Have you seen Curly?

NAME	Curly
COLOR	Grey tabby
SEX, AGE	Male, 5
LAST SEEN	Friday, October 16
WHERE	2232 Primrose St., Eureka

Curly had a bug stuck in his fur by his left ear. I picked it off. The next day, the site was abscessed; I drained it. The next day, Curly wouldn't come back in the house, and when he saw me, he ran. Same the next day -- now I can't find him at all. I live next to Cutten School on Primrose, backed by the ravine.
