Is this your dog?

COLOR Grey with white socks

SEX Male

FOUND Wednesday, October 21

FOUND AT 1929 4th St., Eureka

I found a grey male pitbull, very young still he has a little patch of white on the back of his neck and a couple white socks. He was found on fourth and T and didn't seem like he was an outside dog. I called the nonemergency EPD number and they came and picked him up and asked me to post him to try to find the owner. He is a very good boy and friendly. He's very scared, but he doesn't bite or anything and he is dog friendly
