HUMBOLDT Paws Cause

FOUND DOG

Is this your dog?

COLOR	DARK Brown whit tips on paws
SEX, AGE	Male, 1
FOUND	Saturday, October 31
FOUND AT	1120 Hunts Dr and beginning of Mck. Forest, McKinleyville

He is a very nervous unaltered male. He won't let me catch him. He is at my neighbors but they are not home. He has a collar and flea collar on. I am wondering uf he got lost in the McKinleyville Forest and ended up at the end of Hunts Dr. He howls and howls. I have fed him, but he won't let me catch him.
