LOST DOG

Have you seen Blackie?

NAME	Blackie
COLOR	White
SEX, AGE	Male, 3
LAST SEEN	Saturday, October 24
WHERE	Lower South Fork Moutain Rd, Willow Creek

Lost Great Pyrenese, no collar, intact male. All white with a black nose. No other markings except he has little black specks around his eyes. He has a big fluffy mane, but not so fluffy head. He is mixed with Ackbash/merema, so his head isn't as floofy as most Pyrs. Wandered from our farm 9/15, off Ammon Ridge/Friday Ridge/Forest Service Route 6 area. If spotted, please try to get a pic and contact Lindsay at 707-601-8925. Answers to Blackie. His actual name is Apollo.
