HUMBOLDT Paws Cause

LOST CAT

Have you seen Mama?

NAME	Mama
COLOR	Black and White Tuxedo
SEX, AGE	Female, 17
LAST SEEN	Sunday, November 1
WHERE	2591 Alder Lane, McKinleyville

Mama was in her bed on the front porch late last night (11/01/26). This morning she was not there for her morning feeding. The neighbors said they saw her walking in circles looking distressed in the cul-de-sac early morning, but they were in a hurry and couldn't help. I have searched everywhere. She is very old and very rough looking, with a really bad blind eye, but she is very loved and is greatly missed by her feline daughter and her human family. If you have seen her in the neighborhood, or if you have any information to help, it would be very much appreciated! Even if she has crossed over on Dia de los Muertos, we would like to give her a proper burial, so please reach out even if you found her deceased.
