HUMBOLDT Paws Cause

LOST DOG

Have you seen Charlie?

NAME	Charlie
COLOR	Tan with white markings
SEX, AGE	Male, 15
LAST SEEN	Tuesday, November 3
WHERE	2020 Lilac Ln, Eureka

Our senior dog Charlies has been missing for 24 hours now and spent all night out there, presumably still in the Ridgewood Heights area along Walnut. We are hoping that some kind soul has taken Charlie in and will see this and reach out. We are devastated that he's out there scared and alone. He was wearing a fleece sweater vest and unfortunately does not have his collar on. Happy to reward for the safe return of our doggie. Thanks for looking.
