HUMBOLDT Paws Cause

FOUND CAT

Is this your cat?

COLOR	Black and white
FOUND	Sunday, November 1
FOUND AT	2002 Cst, Eureka

This cat has been hanging around my apartment since this last Sunday and is desperate for attention and food. I put out a bowl of food a few times but am not able to do much more cause i have two other cats that dont get aling with others. The cat doesn't belong to anyone in our apartment complex. If you know who owns this cat or is willing to take care of this sweet cat let us know. This cat is very friendly and just wants some live and attention.
