HUMBOLDT Paws Cause

LOST CAT

Have you seen Bee-nz?

NAME	Bee-nz
COLOR	Beige w grey/orange points
SEX, AGE	Female, 10
LAST SEEN	Tuesday, November 10
WHERE	Corner of 4th and D street, Arcata

Beenie went missing in Arcata after midnight on November 10th in the neighborhood south of the Plaza behind Safeway towards the 101 and Samoa Ave. She grew up as an inside/outside cat and prefers indoors where she can protect her food bowl. She is heavy-set, does not hunt, resembles a baby harbor seal. She works full-time baking biscuits on the bellies of her loved ones and 'kneads' to fill her quota. Please contact me asap if you or someone you know sees a similar looking cat, probably hiding or possibly could have gotten stuck in a garage or laundry room. She is missed dearly. Thanks kindly
