HUMBOLDT Paws Cause

FOUND CAT

Is this your cat?

COLOR	Black
SEX, AGE	Male, Adult
FOUND	Wednesday, November 18
FOUND AT	161 Gely St, Blue Lake

Very large adult black cat, probably male, no collar but looks very healthy. Very vocal. He has shown up sporadically over the past couple years and I assumed he was an outdoor cat of a neighbor or someone in town but wasn't 100% sure. Posting in case someone is looking for him.
